Meeting 3

Meeting/Project Name: Scrum meeting #3**Date of Meeting: 07/13/2023****Start time: 10:00 PM End time: 11:05 PM**

Meeting Objective

1. Discussion about design scalable backend architecture
2. Discussion about using REST API vs GraphQL
3. Discussion about designing scalable user profile API (schema,fields for the schema, types of the fields)
4. Discussion about designing reusable UI components and user

Attendees

- Jatin Arora
- Nithin Development
- Rahul Singh Development
- Vaishali Bansal Development
- Yang Lui Development
- Vignesh Pugazhendhi

Meeting Agenda and Notes, Decisions, Issues, expected actions for next sprint

3. Meeting Agenda and Notes, Decisions, Issues		
Topic	Owner	Time
Scalable backend architecture- we discussed various architectural norms and concluded to use monolithic architecture since this application is designed on a small scale	all	15 minutes
Rest API vs GraphQL – we discussed pros and cons of both REST and graphql network calls and concluded to use REST API (again because of small scale application)	all	15 minutes
Discussed about scalable APIs for user profile- we discussed various storing options for user resume such as aws S3 bucket, azure blob storage, MongoDB. We concluded using MongoDB because of the scale of the application	all	20 minutes
Design reusable UI components- we discussed about using various reusable UI components to reduce code redundancy. We sketched a basic design for user profile page	all	20 minutes

4. Expected Action Items For Next Meeting		
Action	Owner	Due Date
Should have completed user profile APIs	Jatin/Vignesh	07/14/2023
Should have developed reusable UI components	Rahul/Nithin/Yang	07/14/2023
Should have tested both UI components and user profile API	Vaishali	07/14/2023

Meeting 4

Meeting/Project Name: Scrum meeting #4

Date of Meeting: 07/14/2023

Start time: 10:00 PM End time: 10:40 PM

Meeting Objective

1. Test report of the last scrum meeting by vaishali
2. Discussion on integration of the user profile API
3. Discussion on Build resume API

Attendees

- Jatin Arora
- Nithin Development
- Rahul Singh Development
- Vaishali Bansal Development
- Yang Lui Development
- Vignesh Pugazhendhi

Meeting Agenda and Notes, Decisions, Issues, expected actions for next sprint

3. Meeting Agenda and Notes, Decisions, Issues		
Topic	Owner	Time
Discussion on test report of the previous scrum meeting – all manual test cases passed. Working as expected	all	15 minutes
Discussion on integration of user profile API – concluded that rahul will do the integration	jatin/vignesh/rahul	15 minutes
Discussion on build resume API – brainstormed many ways to do it. Couldn't not come to a conclusion	all	20 minutes

4. Expected Action Items For Next Meeting		
Action	Owner	Due Date
Should have completed the integration of user profile API	Rahul	07/15/2023
All the team members should come up with an idea on how to implement build resume API	all	07/15/2023
Post integration test report	Vaishali	07/15/2023

Meeting 5

Meeting/Project Name: Scrum meeting #5

Date of Meeting: 07/15/2023

Start time: 10:00 PM End time: 11:00 PM

Meeting Objective

1. Test report of the last scrum meeting by vaishali
2. Discussion on the brainstormed possibilities by all members for build resume API
3. Discussion on designing jobs related APIs – create & update by employer, apply by user

Attendees

- Jatin Arora
- Nithin Development
- Rahul Singh Development
- Vaishali Bansal Development
- Yang Lui Development
- Vignesh Pugazhendhi

Meeting Agenda and Notes, Decisions, Issues, expected actions for next sprint

3. Meeting Agenda and Notes, Decisions, Issues		
Topic	Owner	Time
Discussion on test report of the previous scrum meeting – all manual test cases passed. Working as expected. Integration passed.	all	15 minutes
Brainstorming session- none of the discussed method worked. So we finally reverse engineered linkedin resume builder and concluded that we will be following that.	jatin/vignesh/rahul	15 minutes
Discussion on building jobs related APIs – coding scalable job related apis. Concluded that Vignesh and rahul will be developing the APIs and rahul and nithin with integrate it. Yang and vishali has to do QA and bring a report of it in the next scrum.	all	20 minutes

4. Expected Action Items For Next Meeting		
Action	Owner	Due Date
Should have completed the integration of job related APIs	Rahul/nithin	07/16/2023
Should have completed backend APIs for jobs	Vignesh/Jatin	07/16/2023
Post integration test report	Vaishali/Yang	07/16/2023

Meeting 6

Meeting/Project Name: Scrum meeting #6 Date of Meeting: 07/16/2023 Start time: 10:00 PM End time: 10:40 PM

Meeting Objective

1. Test report of the last scrum meeting by vaishali
2. Discussion on job related APIs – if any pending/changes
3. Discussion on finalizing resume builder API
4. Apply jobs API collections issue. Backend

Attendees

- Jatin Arora
- Nithin Development
- Rahul Singh Development
- Vaishali Bansal Development
- Yang Lui Development
- Vignesh Pugazhendhi

Meeting Agenda and Notes, Decisions, Issues, expected actions for next sprint

3. Meeting Agenda and Notes, Decisions, Issues		
Topic	Owner	Time
Discussion on test report of the previous scrum meeting – all manual test cases passed. Working as expected. Integration passed. Except for apply jobs API,	all	15 minutes
Discussion on job related APIs- manual testing in front of all members and edge cases if any. We concluded there are no edge cases.	jatin/vignesh/rahul	15 minutes
Discussion on finalizing the build resume API- concluded that Vignesh will do both backend and frontend integration	Vignesh	20 minutes

4. Expected Action Items For Next Meeting		
Action	Owner	Due Date
Should have fixed the apply jobs API issue.	Jatin/Rahul	07/18/2023
Should have completed build resume backend API alone.	Vignesh	07/18/2023
Test build resume in postman. Various scenarios are to be covered such as build resume for new user,existing user, what happens if an existing user updates his profile and then builds it. Test download feature.	Vaishali/Yang	07/18/2023

Meeting 7

Meeting/Project Name: Scrum meeting #7

Date of Meeting: 07/18/2023

Start time: 10:00 PM End time: 10:50 PM

Meeting Objective

Discussion on the test report of the build resume integration Disussion on misleading libraries such as react-icons/LU

Attendees

- Jatin Arora
- Nithin Development
- Rahul Singh Development
- Vaishali Bansal Development
- Yang Lui Development
- Vignesh Pugazhendhi

Meeting Agenda and Notes, Decisions, Issues, expected actions for next sprint

3. Meeting Agenda and Notes, Decisions, Issues		
Topic	Owner	Time
Discussion on the test report of the resume builder API – all edge cases were covered. Conclusion of resume builder- no further changes needed.	Yang/Vaishali	20 minutes
Discussion of misleading reactjs lib- use react-icons/lu instead of react-icons/Lu	Rahul & Vignesh	10 minutes
Final testing for this sprint- Test all the features developed	all	20 minutes

4. Expected Action Items For Next Meeting		
Action	Owner	Due Date
All misleading libs must be resolved.	Vignesh/Rahul	07/19/2023
Test report on the features for this sprint	all	07/19/2023
